Demo Company · 2026-01-01 to 2026-08-29

Executive overview

An integrated review of timesheet activity, billable utilization, team workload and project allocation, supported by portfolio, workforce, leave, recruitment and service data. Timesheet measures indicate capacity and activity, not individual work quality.

Recorded hours
12376.2h

Billable hours
1073.1h

Timesheet entries
3,945

Team utilization and activity

Billable and non-billable hours by month
